### WAS SHE GOADED

Into Taking the Life of Her Husband? Love Turned to Wrath

### SAD AND SORROWFUL SIGHT

Upon allegation that the Jail at Flemingsburg was insecure, and furthermore was devoid of a woman's department, it was ordered by the Court that Mrs. Edward Smoot, charged with having slain her husband, be removed to this city and placed in the County Jail for safe keeping until such time as the Court ordered otherwise.

The noted prisoner arrived here over the L. and N. about 4 o'clock last afternoon, and her presence, as she walked from the Depot West on Third street to the Jail, flanked on either side by Sheriff Mackey and Policeman Crawford, created a decided sensation. Mrs. Smoot has clear-cut features

and is rather handsome. She was attired in an entire suit of mourning, and with stately mien and bearing she passed along the thoroughfare seemingly oblivious to her surroundings and the gaze and stare of the ever present curious.

With her eyes set straight ahead, never once did she cast a glance to the right, neither to the left, but went forward apparently lost to earthly things.

She does not appear as one who would wantonly commit murder without a grievance impelling her to the act; but be that as it may, in taking the life of her husband she has jeopardized that of her own, orphaned her own child and brought misery and disgrace upon all who are near and dear to her.

## Splendid Silk Values.

We've never offered better values in silk, right at the beginning of the season too, when they are in such demand. Every yard is fresh—not a shopworn piece in the lot. Take advantage of this unusual opportunity. You can't match the qualities at the prices quoted, anywhere. To specialize we divide the offering into four groups:

No. 1—A splendid assortment of plaid, check and stripe waist patterns in 4, 4½ and 5-yard lengths. No two patterns alike, so you are sure of exclusive styles. To make the reductions very clear to you we quote prices by the yard but the silks will be sold in waist lengths and not divided:

75c Silks 59c.  
\$1 Silks 75c.  
\$1½ Silks \$1.

No. 2—Rajahs in four colors, brown, navy, castor, champagne,

are reduced from \$1 to 69c. These stylish silks have the weight that makes them very welcome for fall waists and frocks.

No. 3—A broad color assortment of plain taffetas, including dark shades for petticoats and serviceable jumpers and waists, are reduced from 75c to 59c. Strictly first class, new silks. This group includes a few 75c hair line stripes of black, red, brown or blue on white ground, reduced to 59c.

No. 4—Fancy silks of countless pattern and color combination are now 39c instead of 50c. Delightful possibilities for inexpensive party gowns among these pretty silks. Some dark colors too, for less dressy service.

**In Its Entirety.**

REPUBLICAN TICKET.

FOR PRESIDENT,  
WILLIAM H. TAFT,  
of Ohio.

FOR VICE-PRESIDENT,  
JAMES S. SHERMAN,  
of New York.

FOR CONGRESS,  
Hon. JOSEPH B. BENNETT.

JUDGE TAFT's collar is almost equal in size to Mr. BRYAN's cheek.

Will the time ever come when the Democratic party will get out an injunction to stop Mr. BRYAN from running for the Presidency?

Whoever managed the stage properties at the meeting between Mr. TAFT and Senator FORAKER deserves great credit.—New York World.

HUNDREDS of inventors are now trying to perfect a flying machine that will really fly, and some headway has been developed. Such a machine is sure to come, and when it is discovered some of us will want to kick ourselves for not thinking of it first.

It is a relief to believe in the returning sanity of Kentuckians in this deplorable tobacco war, and that the tobacco growers are already beginning to take a determined stand to raise a crop next year at any and all hazards. Let us have peace—and liberty.

JOHN D. ROCKEFELLER may have had noble ancestors, but none of them ever owned the earth.

THE Democratic party is a Free Trade party, and you can imagine what would be the consequences should the Democrats have charge of remodeling, revising and changing the Protective policies of the Republican party, which have made the United States the greatest industrial Nation on earth.

THE Republican party promises a revision of the Tariff; revision upward as well as revision downward. That is a constructive policy.

The Democratic party promises a reduction of the Tariff "toward a revenue basis." That is a destructive policy.

One party upholds Protection as indispensable to the maintenance of high wages and a high standard of living, and as insuring "a reasonable profit" alike to wage payers and wage earners.

The other party disregards the interests of wage payers and wage earners, and, by promising immediate Free Trade on all imports competing with Trust-made articles, promises immediate Free Trade in practically all competing articles.

Never was the issue more sharply defined than now: Protection versus Free Trade.

GOOD ENGLISH.

A French lady living in America engaged a carpenter to do some work for her at a stipulated price. She was surprised later to find that he charged more than the price agreed upon. When she attempted to remonstrate with him, however, her English failed her and she said: "You are dearer to me now than when we were first engaged."

This woman says that sick women should not fail to try Lydia E. Pinkham's Vegetable Compound as she did.

Mrs. A. Gregory, of 2355 Lawrence St., Denver, Col., writes to Mrs. Pinkham:

"I was practically an invalid for six years, on account of female troubles. I underwent an operation by the doctor's advice, but in a few months I was worse than before. A friend advised Lydia E. Pinkham's Vegetable Compound and it restored me to perfect health, such as I have not enjoyed in many years. Any woman suffering as I did with backache, bearing-down pains, and periodic pains, should not fail to use Lydia E. Pinkham's Vegetable Compound."

FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

TAFT'S KINDNESS TO BLIND.

Overrules Washington Monument Regulation For Benefit of the Sightless.

The kind heartedness of Mr. Taft and his sincere, common sense sympathy with the unfortunate in this world has just been brought to the attention of the blind in a peculiar way.

Away up in the top of the Washington monument, where thousands go to behold the beauties of the nation's capital, the Columbia Polytechnic institute, which seeks to make it possible for the adult blind of the United States to rise above conditions of dependence by becoming self sustaining, placed on sale souvenir post cards manufactured by its blind. Some sentimental persons took the view that this was undignified and succeeded in having the superintendent of public buildings and grounds order the cards removed. F. E. Cleveland, principal of the institute, appealed to Mr. Taft, then secretary of war and within whose jurisdiction came the office of public buildings and grounds. It took only a few words to convince the secretary that the blind should have the benefit of this privilege, and the cards were again placed on sale in the monument.

"For this action," said Principal Cleveland in discussing the incident, "Mr. Taft deserves the gratitude of every blind person, particularly the progressive blind, who are striving to help their less fortunate fellows."

ANTI-NEGRO PLANKS IN WEST VIRGINIA DEMOCRATIC PLATFORM.

Jim Crow Plank. We favor the enactment of a law requiring common carriers engaged in passenger traffic to furnish separate coaches or compartments for white and colored passengers.

Elective Franchise Plank. Believing that the extension of the elective franchise to a race inferior in intelligence and without preparation for the wise and prudent exercise of a privilege so vital to the maintenance of good government was a mistake if not a crime committed by the Republican party during the reign of passion and prejudice following the civil war for political ends and purposes, we declare that the Democratic party is in favor of so amending the constitution as to preserve the purity of the ballot and the electorate of the state from the evil results from conferring such power and privilege upon those who are unfitted to appreciate its importance, as it affects the stability and preservation of good government.

# Danderine

Grows Hair and we can PROVE IT!

DANDERINE is to the hair what fresh showers of rain and sunshine are to vegetation. It goes right to the roots, invigorates and strengthens them. Its exhilarating, stimulating and life-producing properties cause the hair to grow abundantly long, strong and beautiful. It at once imparts a sparkling brilliancy and velvety softness to the hair, and a few weeks' use will cause new hair to sprout all over the scalp. Use it every day for a short time, after which two or three times a week will be sufficient to complete whatever growth you desire.

A lady from St. Paul writes in substance, as follows:  
"When I began using Danderine my hair would not come to my shoulders and now it is away below my hips."  
Another from Newark, N. J.  
"I have been using Danderine regularly. When I first started to use it I had very little hair, now I have the most beautiful long and thick hair anyone would want to have."

NOW at all druggists in three sizes 25c, 50c and \$1.00 per bottle

Danderine enjoys a greater sale than any other preparation, regardless of kind or brand, and it has a much greater sale than all of the other hair preparations in the world combined.

FREE To show how quickly Danderine acts, we will send a large sample free by return mail to anyone who sends this free coupon to the KNOWLTON DANDERINE CO., CHICAGO, ILL., with their name and address and 10c in silver or stamps to pay postage.

## SCIENCE PREVENTS BALDNESS.

The Fatal Germ and Its Remedy Now Facts of Science.

It is the rarest thing in the world for a man to be necessarily bald. No man whose hair is not dead at the roots, need be bald if he will use Newbro's Herpicide, the new scalp antiseptic. Herpicide destroys the germ that cuts the hair off at the root; and cleans the scalp of dandruff and leaves it in a perfectly healthy condition. Mr. Mannett, in the Maryland Block, Butte, Mont., was entirely bald. In less than a month Herpicide had removed the enemies of hair growth, and nature did its work by covering his head with thick hair an inch long, and in six weeks he had a normal suit of hair. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Maysville Painters Occupy Dizzy Perches Painting Church Spires

Pedestrians passing along Third street in the neighborhood of the First Presbyterian Church witnessed an awe-inspiring sight.

High up on the steeple surmounting the Church edifice were four human spiders—Albert Bockock, Dan Shafer, Kelley Luman and Ben Fleming—busily engaged in arranging tackle for the purpose of painting the spire.

The highest point is at least 160 feet above the pavement and when perched at that altitude, as they were, the venturesome fellows appeared to the watchers below as a mere specks, but to all appearances they were perfectly at home in completing their dangerous and hair-raising task.

Messrs. Crane & Shafer have the contract for the painting of the exterior of the building and the men were engaged in preliminary work.

Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

### DAINGEROUS FIRE

**In Aberdeen This Morning—Inmates Narrowly Escape With Their Lives**

This morning about 3 o'clock the home of Mrs. Carrie Robb in West Front street, Aberdeen, was discovered in a blaze, and had not neighbors aroused Mrs. Robb, who was asleep in the building, she would undoubtedly have perished in the flames. As it was she had to leap through a window and escape, as her retreat was cut off from other exits.

How the fire originated is a mystery, as there was no fire about the place since early Wednesday morning. The loss is placed at \$1,000, with an insurance of \$600 on house and furniture.

Early in the afternoon there was a fire at the home of W. W. Cooper, caused by a defective fuse in the kitchen, resulting in a \$200 loss, which was fully covered by insurance.

## A COMPARISON

**Of the Records of Hons. J. N. Kehoe and J. B. Bennett For Services Rendered the Old Soldiers**

*Greenup Republican.*

We publish below the number of bills that Mr. Bennett and Mr. Kehoe secured the passage of, also the names of the parties for whom the bills were passed.

Mr. Kehoe served our District two terms, in which there were five sessions of Congress. Mr. Bennett is serving his second term, but has only had three sessions thus far.

The following is taken from the records of the House of Representatives of the United States, and therefore cannot be denied. Mr. Kehoe secured the passage of 17 bills for soldiers in five sessions, while Joe Bennett has secured the passage of 53 bills for soldiers in our District in three sessions of Congress. In other words, Bennett has secured the passage of three times as many bills for soldiers, in three-fifths of the time, as Mr. Kehoe did—he only securing the passage of 17 bills in five sessions. In view of this record, it is impossible to see how any ex-soldier could support Mr. Kehoe.

### NATURE TELLS YOU.

As Many a Maysville Reader Knows Too Well.

When the kidneys are sick, Nature tells you all about it. The urine is nature's calendar. Infrequent or too frequent action; Any urinary trouble tells of kidney ills. Doan's Kidney Pills cure all kidney ills.

John G. Morris, Jail Keeper, living on Main street, Flemingsburg, Ky., says:

"I can recommend Doan's Kidney Pills as being all that is claimed for them. Several months ago I was suffering severely from kidney disorders, and although I tried many remedies, I was unable to obtain relief. My kidneys were very weak and irregular in action, causing me much inconvenience and annoyance. I lost a great deal of sleep on this account. Finally Doan's Kidney Pills were recommended to me. I procured a box at J. Jas. Wood & Son's Drugstore and began using them. I was surprised at the quick results, as the trouble entirely disappeared and I have had no return of any of the symptoms since. I cannot speak too highly of Doan's Kidney Pills."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
